WILMA'S GOLF TOURNAMENT

Wilma's Transition Society has been in the community of Chilliwack since 1988 offering safe housing and support services to women and their children leaving family violence and to past victims needing assistance from across British Columbia. All proceeds from our tournaments go directly to our 3 facilities that are run in the community offering these services to those in need. Our organization helps these families with all needs they may have while they are with us and continued outreach support services for when they leave. We aid with any needs from legal advocacy, educational assistance, in and out of house counseling, children-based groups and childcare, women's empowerment groups with focuses on education, health and wellness, children's health, life skills and self-improvement programs and we also provide food, clothing, transportation and when necessary financial assistance.

On August 19th, 2023 we are excited to invite back all our past and new sponsors for our 8th annual tournament this year presented by Woodside Exteriors. The generosity we have seen from our community has helped in such an immense way truly aiding our organization to help those using our services. Unfortunately, the need for our services continues to grow and as a small non-profit raising funds through fundraising events has a great impact to our organization and goes a long way in assisting and supporting these families.

We look forward to the planning of this event in hopes of continuing down our path of achievement to help support victims of interpersonal violence, to educate the public and help end violence against women and children in our communities through these partnerships.

Wilma's Transition Society can only achieve its goals with the assistance of generous donations from members of our community. Without these donations, serving those in our area would not be possible. Since our organization relies heavily on the generosity of individuals like you, we write to ask you to consider the opportunity of joining our cause and partnering with us to help continue to build our organization and help our community to the best of our ability. Below is more information regarding our sponsorship opportunities and how you can be involved.

We realize the many sponsorship requests you must receive each year, so on behalf of Wilma's Transition Society, we would like to thank you in advance for your time and considering our request. If you would like to be involved please contact Jayme at j.clifford@wilmas.org or 604-997-5833.
